Hi George,

Based on the received signed access agreement early this week I am doing coordinations to start mobilization to Cabo Rojo on Monday February 18<sup>th</sup>, 2013. If this is not appropriate based on the need to sign the mentioned permit please let me know today so I can plan accordingly. I do have access to the facility from a previous visit with one of your representatives. Is this permit different from the access agreement?

Thanks,

Frances Delano, P.G.
